HEATING & AIR CONDITIONING

AIR CONDITIONERS

PLATINUM		AccuComfort™ Platinum 20 Air Conditioner Up to 23.6 SEER2 
		AccuComfort™ Platinum 18 Air Conditioner† Up to 18.1 SEER2 
GOLD		Gold 17 Multi-Speed Air Conditioner Up to 17.1 SEER2
		Silver 16 Air Conditioner Up to 17.0 SEER2
		Silver 15 Air Conditioner Up to 17.0 SEER2
		Silver 14 Air Conditioner Up to 14.3 SEER2
		Silver 13 Air Conditioner Up to 13.4 SEER2

Select models include innovative American Standard Link™ technology, which communicates between system components. Simply opt in through the American Standard Home™ app to have your system's data remotely monitored for even the slightest system changes – letting you relax and enjoy the exceptional comfort your variable speed system provides.

To minimize environment impacts, the HVAC industry has transitioned to Lower Global Warming Potential (GWP) refrigerants. American Standard's newest lineup of equipment designs harnesses this next-generation technology to maximize your year-round comfort while innovating for a sustainable future. Talk to your local American Standard dealer to learn more about your best options.

PLATINUM SERIES

Our most efficient model, American Standard Heating and Air Conditioning® Platinum Series, includes innovative American Standard Link™ technology to control all of the system components. The quiet, high-efficiency Duration™ variable speed compressor runs at lower speeds for longer periods of time— with multiple speeds providing precise temperature control while saving on energy bills.

GOLD SERIES

American Standard's Gold Series air conditioners feature Duration compressors that adjust compressor speed to extend capacity at extreme temperatures, providing more capacity when it's needed and more efficiency when it's mild. As with the Platinum Series, our proprietary Spine Fin™ coils ensure efficient heat transfer and provide excellent durability.

SILVER SERIES

Silver Series air conditioners from American Standard keep your home cool by pairing hardworking, Duration compressors with the same Spine Fin coils found in the Platinum and Gold models.

AWARD-WINNING EXCELLENCE.

Top Tier Owner Satisfaction for Gas Furnaces

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 36,348 gas furnaces, owned by members who purchased a new gas furnace [unit] between 2005 and 2021, American Standard gas furnaces were rated Top Tier in Owner Satisfaction.

Top Tier Owner Satisfaction for Heat Pumps

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 13,458 heat pumps, owned by members who purchased a new heat pump [unit] between 2005 and 2021, American Standard heat pumps were rated Top Tier in Owner Satisfaction.

Top Tier Reliability for Heat Pumps

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 13,458 heat pumps, owned by members who purchased a new heat pump [unit] between 2005 and 2021, American Standard heat pumps were rated Top Tier in Reliability.

Top Tier Owner Satisfaction for Central Air Conditioning

"National Product Testing and Research Magazine"

In a survey based on the proportion of members who are extremely likely to recommend their central air conditioning system to friends and family found American Standard Central Air Conditioning Systems' to be Top Tier in 2018 and 2020 Summer Surveys of 23,997 central air conditioning systems, owned by members who installed a new system between 2005-2020.

WE OBSESS OVER IT SO YOU DON'T.

For over a hundred years, we've made some of the most awarded, well-engineered heating and air conditioning equipment, and earned a reputation for doing things ...right. And through it all, we've followed a pretty simple idea: "A Higher Standard" isn't just how we build our products. It's how we build our relationships with the customers who depend on us every single day.

A CLOSER LOOK

AccuComfort™ Platinum 20 Air Conditioner

Appliance-Grade Finish

Durable powder-painted louvers resist rust and corrosion, eliminate sharp edges and provide years of lasting protection.

American Standard Link™ Communicating Control Board

Maintains consistent comfort and efficiency by powering the compressor and controlling communication between all components of the system.

Heavy-Duty Steel Louvered Panels

Protect the coil from dirt and damage while providing substantial airflow.

Durabase™ Basepan

Built to resist cracks, rust and corrosion.

SermaGuard™ Rust-Resistant Screws

Zinc-coated for corrosion resistance and longer life.

Variable-Speed Fan Motor

Adjusts speed based on cooling requirements for higher efficiency and quieter operation.

All-Aluminum Spine Fin™ Coil

An exclusive design makes it extremely efficient at transferring heat and highly resistant to corrosion.

Compressor Sound Enclosure

Reduces operating noise for a quieter home environment.

Duration™ Variable Speed Compressor

Automatically makes constant, minute adjustments to avoid temperature swings in your home and maintain consistent comfort and optimal efficiency.

All Weather™ Top (Optional Accessory)

- Available as an accessory and aftermarket kit
- Keeps snow, rain, leaves, and debris out
- Reduces icing during severe operating conditions
- Additional protection for small children playing near unit

*An American Standard UX360 Smart Thermostat and system controller is required for all Platinum 20 and Platinum 18 air conditioners.

Features and components may vary by model and are shown for illustration purposes only.

**Platinum 18 varies speed in 1% increments

¹ Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at americanstandardair.com or by phone at 855-260-2975, otherwise American Standard Heating & Air Conditioning's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on americanstandardair.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply. Product Registration and Registration Transfer exclusions vary in the US from state to state and in Canada from province to province. To determine if there are specific exclusions for your state or province check your local laws.

THE CENTER OF HOME COMFORT

Elevate your environment and experience a new level of home comfort with an American Standard Smart Thermostat

SEAMLESS CONNECTIONS

American Standard's smart comfort systems are engineered to integrate effortlessly into a home and homeowners' daily lives. Easy to install, use and connect to American Standard systems or other smart devices, a smart HVAC system enables unparalleled convenience and control.

PROACTIVE DIAGNOSTICS

American Standard's smart diagnostics, enabled by any American Standard smart thermostat, allow dealers and technicians to predict and prevent issues before they arise. These proactive capabilities ease the maintenance process for homeowners, allowing them to focus on what matters to them most.

CUSTOM COMFORT

A connected HVAC system is the foundation of a comfortable home. American Standard's offerings are designed with each homeowner's unique lifestyle in mind, prioritizing flexibility and personalization so they can enjoy home comfort on their terms.

WE OBSESS OVER IT. SO YOU DON'T.

 Home™ **COMFORTABLE.
RELIABLE. EFFICIENT.**

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat.
