The device can monitor temperature, humidity, CO2, and more all within the Trane Home app.

Awair Element Home Air Quality Monitor

GOOD FOR:

- Homeowner comfort and reassurance
- Individuals with asthma and allergies
- Pet Owners

A CLOSER LOOK: WHOLE-HOME HUMIDIFIERS AND DEHUMIDIFIERS

EVAPORATIVE HUMIDIFIERS

An American Standard® Humidifier provides indoor humidification, providing comfort and protection to the home while pairing perfectly with the home's furnace.

- Capacity output up to 18 gallons per day
- Works with all furnace models
- Automatic control
- For homes up to 4,200 sq. ft.

EHUMD500, EHUMD300, EHUMD200

STEAM HUMIDIFIER

The American Standard® Steam Humidifier provides our strongest indoor humidification capabilities in all climates, operating independently of the heating system.

- Fully insulated door with easy-to-open latches
- Easy-to-open latches
- Capacity up to 34.6 gallons per day
- Low-profile painted cabinet
- Inside cabinet insulation to prevent condensation on filter

*EHUMD800, EHUMD800LC^*

^120V application for low conductivity water

5DHUM70H, 5DHUM098, 5DHUM120

WHOLE HOME DEHUMIDIFIER

American Standard® dehumidifiers are perfect for solving high-humidity issues in homes, including high-performance homes with tight or foam insulation.

- Optional ventilation capability to meet ASHRAE 62.2 Ventilation requirements
- MERV 13 filter for improved indoor air quality
- Recommended for homes in humid climates with single stage equipment

A CLOSER LOOK: VENTILATORS

PREMIUM ENERGY RECOVERY VENTILATOR

American Standard® Premium Energy Recovery Ventilator removes stale indoor air and brings in fresh, preconditioned outdoor air, so the air in your home is continually renewed.

American Standard Premium ERV boasts compact design and reduced weight for easier installation, **quiet operation** and an **industry-leading warranty**.

- Constantly delivers fresh air while removing stale indoor air regardless of HVAC system operation
- Three sizes to fit all homes up to 4,500 sq. ft. IAQ filter included
- Ideal for homes with children

EERVE125, EERVE225, EERVE280

A CLOSER LOOK: FILTERS

QUIKBOX™

Air Cleaners help keep your air free from potentially harmful contaminants and protect your equipment investment by keeping motors and coils clean from energy-robbing dust and particulates.

- MERV 11 and MERV 13 filter options available
- Up to 20 times more effective than a disposable 1" filter
- Filters last up to six months and are easily replaceable
- Filters 100% of the air without reducing airflow efficiency
- Cabinet sizes that directly match American Standard air handler and furnace cabinets for easy installation
- Space saving collapsible "shirt box" style filter design

EQBFM17D, EQBFM175, EQBFM185, EQBFM210, EQBFM215, EQBFM235, EQBFM245

ADD-ON COMPONENT: SLIMFIT FILTER RACK

The SlimFit Filter Rack comes in made-to-fit sizes for American Standard TEM Air Handlers and S-Series furnaces with side return.

- Hinged front door for easy filter replacement
- The MERV 4 rated pleated filter captures pollutants between 3 and 10 microns, protects your equipment, and lasts up to 90 days
- Heavy gauge, painted steel cabinet with 2" depth
- Accommodates off-the-shelf retail filters

BAYSF1165, BAYSF1185, BAYSF1235, BAYSF11255

A CLOSER LOOK: HOME AIR QUALITY MONITOR

AWAIR® ELEMENT™

American Standard® has partnered with Awair® to integrate their home air quality monitor, the Awair Element™ with the American Standard Home app. The Awair Element is an intelligent, comprehensive environmental sensor that allows homeowners to monitor.

- Temperature
- Humidity
- CO2
- Volatile Organic Compounds (TVOC)
- PM2.5 levels

THE CENTER OF HOME COMFORT

Elevate your environment and experience a new level of home comfort with an American Standard Smart Thermostat

SEAMLESS CONNECTIONS

American Standard's smart comfort systems are engineered to integrate effortlessly into a home and homeowners' daily lives. Easy to install, use and connect to American Standard systems or other smart devices, a smart HVAC system enables unparalleled convenience and control.

PROACTIVE DIAGNOSTICS

American Standard's smart diagnostics, enabled by any American Standard smart thermostat, allow dealers and technicians to predict and prevent issues before they arise. These proactive capabilities ease the maintenance process for homeowners, allowing them to focus on what matters to them most.

CUSTOM COMFORT

A connected HVAC system is the foundation of a comfortable home. American Standard's offerings are designed with each homeowner's unique lifestyle in mind, prioritizing flexibility and personalization so they can enjoy home comfort on their terms.

WE OBSESS OVER IT. SO YOU DON'T.

Home™ **COMFORTABLE. RELIABLE. EFFICIENT.**

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat.
