SMART THERMOSTATS

Link™

NEXT-LEVEL HOME COMFORT

With the innovative American Standard® Link UX360 Smart Thermostat or the AccuLink™ Platinum 1050, Platinum 850, Gold Smart Thermostat or Silver 724 smart thermostat, you can set your home to your ideal temperature from most web-enabled devices, like your smartphone.

EASY TO READ, SIMPLE TO USE

- Easily change the temperature before you arrive or if you forgot to set it before you left.
- Reduce costs by setting up a schedule or putting your comfort system into an energy savings mode when you're away.
- Enjoy the convenience and security of text and email alerts

Our new American Standard Gold Smart Thermostat supports up to 6 remote sensors to help reduce hot or cold spots by averaging temperatures across different rooms. Sensors are sold separately.

THE CENTER OF HOME COMFORT

Elevate your environment and experience a new level of home comfort with an American Standard Smart Thermostat

SEAMLESS CONNECTIONS

American Standard's smart comfort systems are engineered to integrate effortlessly into a home and homeowners' daily lives. Easy to install, use and connect to American Standard systems or other smart devices, a smart HVAC system enables unparalleled convenience and control.

PROACTIVE DIAGNOSTICS

American Standard's smart diagnostics, enabled by any American Standard smart thermostat, allow dealers and technicians to predict and prevent issues before they arise. These proactive capabilities ease the maintenance process for homeowners, allowing them to focus on what matters to them most.

CUSTOM COMFORT

A connected HVAC system is the foundation of a comfortable home. American Standard's offerings are designed with each homeowner's unique lifestyle in mind, prioritizing flexibility and personalization so they can enjoy home comfort on their terms.

WE OBSESS OVER IT. SO YOU DON'T.

Home™ **COMFORTABLE. RELIABLE. EFFICIENT.**

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat.
