NEXT-LEVEL HOME COMFORT

Experience total comfort and convenience with the Trane Home app. Put instant control of your home's climate right at your fingertips, allowing you to easily set your ideal temperature and keep your living space exactly as cool or cozy as you like. For effortless, hands-free management, seamlessly connect your system with Alexa® or Google Home® to control your thermostat and other connected devices—like lights and speakers—with simple voice commands. Best of all, custom scheduling allows you to optimize when and how your HVAC system runs, ensuring peak performance while working to lower your utility bills

EASY TO READ, SIMPLE TO USE

Trane's large, user-friendly touchscreens make it easier than ever to program an energy-saving schedule every day of the week. With optional Trane Diagnostics, your smart thermostat can even monitor your system in real time and alert your Trane dealer if there is a problem.

Expand your system by adding compatible smart products. Whenever you want to grow your home's connections, we can offer you a way. Ask your Trane dealer for details, or visit Trane.com/residential/home.

Our new Trane Priority Smart Thermostat supports up to 6 remote sensors to help reduce hot or cold spots by averaging temperatures across different rooms. Sensors are sold separately.
